YEARBOOK DEDICATION

Each year the Yearbook is dedicated to staff members who stand out because of hard work, leadership, and an overall positive attitude. This year we have chosen Mr. Brunelle.

We know him as the mellow and quiet teacher. His sly sense of humor makes us eager to go to class everyday. Whether you're in a small or "JUMBO" class we always find ourselves learning so much. Mr. Brunelle has been here at LMS for thirty-one years, and he stills comes to class day by day with a smile on his face. As much as he is annoyed by Mr. Buckley, he always remains calm. He takes his extra time to organize the Grad Dance every year, and assemble the Student Council each week. Mr. Brunelle has always been there for extra help or even someone to talk to.

8TH GRADE PORTRAITS

We did it! After 1,440 days of Elementary and Middle School we are finally ready to move on to High School. But before we do that, let's take a look back at this past year.

The year began with a flurry of activity: the back to school dance, student council elections and apple crisp cook off. The events were absolutely endless! We also went on some traditional LMS trips, such as the Tsongas Center, the Boston Trip, and the always famous Washington D.C. Trip. For the first time ever, the D.C. Trip included a stop at Camden Yards for a Red Sox game. Our year concluded with the Grad Dance.

The Class of 2012, would like to thank the LMS Faculty and Staff for three GREAT years. High School here we come!

Ya we know... "Middle School Superlatives are in no way a prediction of what we will be like as adults". But... THEY ARE FUN!!!! We think of them as a snapshot of what we were like in the 8th Grade.

How fun will it be to look back and see that the "Most Accident Prone" turned out to be a doctor or the "Most Likely to Perform a Random Act of Kindness" joined the Peace Corps.

TRAVEL TEAM

Sports Programs

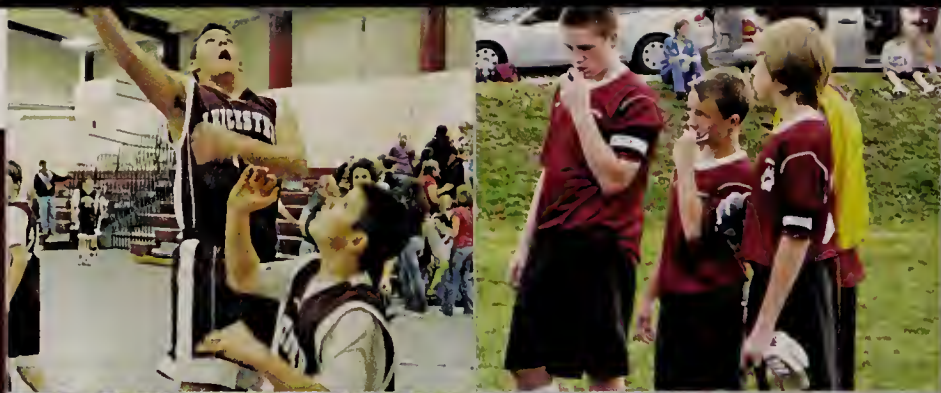

In 2007-2008 Leicester Middle School had a number of traveling sports programs including boys and girls basketball, soccer and girls softball.

The girls soccer team had a nearly undefeated season with the exception of one tie (17-0-1). The boys soccer team was 7-5-6 and had a great year.

The girls basketball team ended their season with a great record of 10-7, while the boys basketball team had an equally good record of 9-8.

For the first time ever a group of 8th grade students organized a Pep Squad and cheered the teams on to victory.

In the springtime, the school held softball tryouts. The team had a great season.

The Faculty All-Stars

Mr. Blaisdel, Mr. Buckley, Mr. Davis, Ms. Ferdella, Mrs. Fraser, Mr. Harvey, Mr. Lijoi, Ms. Mahoney, Ms. McDonald, Ms. Pilon, Mr. Reinhart, Ms. Salek, Mrs. Sanderson, Mr. Stickney, Mr. Vaughan, Mr. Young.

After the Basketball season was over our new Principal (Mr. Young) organized a Faculty/Student Basketball game. The entire game was very competitive, but the students were victorious (48-41).

CO-ED INTRAMURAL

Sports Programs

Intramural sports give a large number of students the opportunity to participate in after-school activities without the commitment to a team.

After-school floor hockey began in February and ran for 10 weeks. Students were placed on 15 member teams and competed in a round robin style tournament. A good time was had by all.

Ski & Snowboard Club began in January and ran for 6 weeks. Students were transported to Wachusett Mountain where they skied and boarded. With record amounts of snow in the winter, it was a great year for Ski and Snowboard Club.

The Pep Squad was formed by Bryanna Bylund and cheered the boys and girls basketball teams on to victory.

The Pep Squad

Marilyn Burlingame, Bryanna Bylund, Bridget Friend, Courtney LaCroix, Ali Linde, Kayla Little, Jacob Marois, Alicia Matthews, Shannon O'Brien, Katrina Nagle, Hailey Terrien.

Throughout the year Mr. Stickney and Mrs. Richardson ran a number of programs and tournaments including basketball, softball and volleyball.

What a Year!

By Alex Blanchette

There's not a single person in this entire country who doesn't know about the New England Patriot's historic season. After a remarkable regular season they ended up 16-0 and broke three NFL records. In the Playoffs they beat the Chargers and the Jaguars only to lose to the Giants in the Superbowl.

Red Sox Win Again

By Yearbook Staff

For the second time in four years, the Red Sox won the World Series. They defeated the Colorado Rockies in four games. Jonathan Papelbon, Josh Beckett, David Ortiz and Jacoby Ellsbury all played well.

Going Green

By Jane Kane

Many peoples New Year's resolution was to be more conscientious about the environment. Hybrid vehicles can get 20 to 30 more miles to the gallon than most other cars. This is possible because this type of car combines gasoline or diesel and electric power.

ENTERTAINMENT

What's on tonight: Re-runs?

By Nicole Mello

In the Fall of 2007 Hollywood stopped production of new TV shows and movies forcing us to watch re-runs and reality shows for most of the year.

What happened? The writers felt it was unfair that they didn't get paid for TV shows that people watched and downloaded on the Internet.

In the Spring of 2008 the strike was settled and everyone went back to work. Finally, we were able to return to being couch potatoes and watch new episodes of our favorite shows again.

JOBS

Retirees & New Staff

By Yearbook Staff

It's a sad thing when teachers leave our school, and while we miss the people that leave we grow to love the new staff members that join the Leicester Middle School family.

Mr. Young, who recently moved here from New Hampshire where he was the Principal of another school became our new Principal. Mr. Davis, who had worked at Leicester High School as a science teacher for a number of years, became our new Assistant Principal.

We also had two wonderful teachers retire from Leicester Middle School and we will miss them greatly.

Mr. Laramee has been a favorite Language Arts teacher for 40 years. He has dedicated an enormous amount of time to his students and the faculty. He has also been a chaperone for all of the Washington DC trips.

Mrs. Lawton came to our school this year as the Librarian. Although she was new to the Middle School we all remember her as our Librarian and Spanish teacher at Primary School. Mrs. Lawton is retiring from Leicester after 22 years in education.
